Travel Bulletin: #23-02

Effective Date: July 1, 2023

Expiration Date: June 30, 2024

SUBJECT: Discount Airfare for Official State Business

PURPOSE: Notification of Contract Extension

REFERENCE: Supersedes Travel Bulletin # 20-03

Purpose

This Travel Bulletin announces the extension of discount airfare contracts between the state of California and the following airlines:

- Southwest Airlines
- United Airlines

The airline contracts provide discount airfares to all Executive Branch agencies in the state of California, as well as participating optional user agencies. Use of the airline contracts allows participating agencies access to the discounted rates. Airline contracts offer systemwide discounts on both carriers and are available only via the Statewide Travel Program's (STP) contracted Travel Management Services (TMS) provider.

Contracted airfares will be used by all state agencies in accordance with the guidelines set forth in Department of General Services (DGS) [Management Memo 21-07](#). Agencies may impose more restrictive travel rules as determined by their operational need. Reference your individual agency travel policy for specific limitations and guidelines.

Contract Term

These extensions are effective July 1, 2023 – June 30, 2024.
