Fresno State Athletics

Mission

The mission of the Department of Athletics is to support the objectives of the Fresno State. At its core, the department endeavors to provide a distinctive educational and life-skill development experience for young men and women with exceptional athletic abilities. The Department of Athletics supports gender equity, promotes diversity and focuses on the well-being of its student-athletes on the field and in the classroom. Additionally, intercollegiate athletics is uniquely positioned to aid the institution with some of its objectives, the engagement of the region, development of the campus community and pursuit of national recognition and prestige for Fresno State. This assistance is best realized with the development of a nationally respected and competitive NCAA Division/FBS athletics program that is conducted in such a manner that it remains a highly visible source of pride while protecting the integrity of the institution at all costs.
