**Centrally Managed Resources** are resources that are essential to the operation of the campus and are independent from any division's core activities, all of which are the financial responsibility of the University at large. Centrally Managed Resources include the following:

<b>Greater Good Fund</b>	<b>President's Reserve</b>	<b>Campus Interest Earning Reserve</b>	<b>Utilities</b>
<b>Compensation</b>	<b>Strategic Planning</b>	<b>Risk Pool and Property Insurance</b>	<b>Benefits</b>
<b>Revenue Reserve</b>	<b>Economic Development</b>	<b>Financial Aid</b>	<b>Reserves</b>

The **Office of Budget & Resource Planning** provides budgetary oversight for Centrally Monitored Resources, Special Funds, Auxiliary Corporations, and University Improvement Fund budgets on behalf of the President.

The Office of Budget & Resource Planning functions as the central conduit for monitoring the fiscal impact of personnel changes, compensation increases, student fee revenue, employee benefit cost, risk management premiums, reimbursed grant/contracts and indirect cost recovery.
