

University Advancement

UNIVERSITY ADVANCEMENT generates the external recognition, support and financial resources the university needs to carry out its mission and to achieve its goals. Working with alumni, parents, donors and the community, University Advancement broadens the resources available to the university to enhance academic quality and strengthen the region. The University Advancement division represents an institution with the highest standards of excellence and accountability to its constituencies.

University Advancement mission is to inspire and increase engagement and philanthropy for Fresno State by putting alumni, friends, and the philanthropic partner at the center of what University Advancement does, thereby focusing on the individual being the hero of their own story. Departments

Alumni Engagement and Annual Giving, formerly known as Fresno State Alumni Association, is dedicated to uniting and advancing the interests and traditions of alumni and friends of, Fresno State, and providing scholarship opportunities that attract and support highly motivated students to the University. The Alumni Engagement and Annual Giving has roots to the first Fresno Normal School graduating class of 1912 and was incorporated in 1940. To date more than 140,000 graduates and thousands of others who have had a Fresno State educational experience, have migrated to every state in the nation and many have located abroad. The university maintains database records of more than 200,000 alumni, past students, and friends of the university. Annual and Life memberships number approximately 8,500. The alumni, from the very first graduating class till today, desire to maintain and promote traditions and connections at Fresno State.
