

Off-Campus Student Life (OCSL)

OCSL aims to identify the needs of commuter students on campus, provide support, create a community for commuter students, and build a sense of belonging at Fresno State

Leadership Board

- Helps identify specific needs of commuter students
- Creates programming to better support the commuter student population
- Supports the program through active engagement opportunities such as tabling and program promotion through social media
- Provides event management and support for all OCSL programming for an academic year

Objectives

- Create programming that falls under the four wellness targets for the commuter student population
 - Finance
 - Wellness
 - Family
 - Transportation
- Provide a sense of belonging for students that reside off campus through various services and events
- Connect commuter students with on and off campus resources
- Develop working relationships with on-campus services and programs to bring awareness of the service to commuter students
