

Raising Awareness of Middle Eastern Culture at Fresno State through Multidisciplinary Collaborations

Participation & Programming throughout the year is designed to directly support, encourage, engage & raise awareness of Middle Eastern Culture at Fresno State.

Middle Eastern Social Night is our annual culminating cross-cultural event. Where we highlight the cultures, contributions & activities of our Middle Eastern cultural clubs & orgs with the Fresno campus & local community.

Creating opportunities for collaborations between the International Office, faculty, staff, students, sponsors & the local community.
