SSSV Womens Veteran Connection

Fresno State Women Veterans Connection was created to offer female Veteran students an opportunity to network with Veteran faculty, staff, and other female students. These developing relationships will follow throughout their future.

Your Success is Our Mission!

Persistence & Good Academic Standing Rates

The mission of SSSV is to provide personal, academic and career counseling, as well as academic support services, to assist undergraduate participants remain at the University and reach the goal of graduation. The combined strength of our programs' resources has given our students a competitive edge in their education that is shown in the above graph.
