An anthology series featuring a pair of supernatural spectacles that seeks to possess those who wear them. Each episode the spectacles find a new host tapping into their greatest aspirations or worst fears.

Episode 1 = An actor discovers the glasses and when she puts them on she has an unsettling personality shift.

Episode 2 = The glasses are found by another character who has an experience leading toward fulfillment of his greatest aspirations that goes bad.

Episode 3 = A new character finds the glasses and can see into another dimension that overcomes them.

Episode 4 = Another character discovers the glasses and can hear the minds of others and the voices take over.

Episode 5 = A criminal discovers the glasses in a stolen backpack, is enticed into wearing them, and is possessed.

Nominated For Screening at the 2018 LA Webfest

CONSTRAINTS:

- Different actors and production team for each episode
- Each episode needed to relate to others
- Two week shooting period
