

Faculty and Staff Onboarding

New Employee Welcome Basket

A simple and symbolic gesture to make new employees feel welcomed and appreciated.

Goal: To create a welcoming and memorable experience for all new faculty and staff.

Future Goals:

- Bulldogs at Work website
- New recruiting system with advanced applicant to employee functionality
- Continuous improvement upon joint faculty/staff new hire orientation
- Monthly orientations for new staff members with enhanced training

Sponsored by: Human Resources, Organizational Excellence and Center for Faculty Excellence

WELCOMING EMPLOYEES

A Guide for Managers

Welcoming Employees

A Guide for Managers

A solid employee onboarding experience from day one acts as a catalyst for employee satisfaction and retention. To help our Managers succeed, we created a Guide for Welcoming New Employees that is full of essential resources for every stage of the new hire process.
