

# Library Diversity Committee 2017-2018

## Welcome to the Library Diversity Committee page!

Fresno State is committed to **diversity as a core value** on campus. The Henry Madden Library's Diversity Committee (LDC) is dedicated to supporting the University's mission of promoting and celebrating a culture of diversity, internationalization, and inclusion in Library services, resources, and programs. LDC is also currently an officially recognized committee by the **President's Commission on Human Relations and Equity** (PCHRE) at Fresno State.

We strive to do the following:

- Provide Library services that support diversity and student success;
- Promote and enhance Library resources and collections relating to diversity;
- Offer and support diverse programs that enrich the academic experience of the University and its surrounding communities;
- Create opportunities and increase diversity awareness among Library staff

We welcome campus and community partners to reach out to us. If you are interested in co-organizing an event, exhibit, or program please contact the co-chairs: Ray Pun ([raypun@csufresno.edu](mailto:raypun@csufresno.edu)), Hiromi Kubo ([hkubo@csufresno.edu](mailto:hkubo@csufresno.edu)), and Michelle Pratt ([mipratt@csufresno.edu](mailto:mipratt@csufresno.edu))
