## SSSV Helping Warriors Get Back Into School!!!

As fellow Veteran students, we realize there will be so much information thrown at you. Think of us as your middle man. If you forget something or need additional information, we will help get you in contact with the right people.

SSSV is unique to Fresno State. We are one of only 14 TRIO programs in the United States that offers these academic services to their Veteran students.

Sixty-two percent (62%) of student Veterans indicated they are the first in their family to attend college, versus 43% of non-Veteran students.

SSSV currently assists 47% of Fresno State's Veteran population.\*

## SSSV WOMEN VETERANS CONNECTION

Fresno State Women Veterans Connection was created to offer female Veteran students an opportunity to network with Veteran faculty, staff, and other female students. These developing relationships will follow throughout their future.
