Closing the Digital Divide

The Regional Broadband Consortium is an initiative of the California Partnership for the San Joaquin Valley and is being administered by the Office of Community and Economic Development. This initiative is dedicated to accelerating the deployment, accessibility, and adoption of broadband within the eight counties of the San Joaquin Valley.

California Partnership for the San Joaquin Valley

- Collaborates to identify, plan, and Brings together all eight counties, facilitate an improved broadband infrastructure across the San Joaquin Valley.
- Seeks to improve infrastructure, expand telehealth and increase digital literacy throughout the rural and urban areas of the Valley.

SAN JOAQUIN VALLEY REGIONAL Broadband CONSORTIUM

The Regional Broadband Consortium:

- which allows for greater partnership opportunities and comprehensive problem solving.
- Connects with the other consortia in the state, reaches out to other sectors to work together towards a zero digital divide in the San Joaquin Valley.
