

Colleagues:

As part of the Central Utility Plant Replacement (CUPR) project, a contractor will be working in the loading dock area northwest of Music and Speech Arts, starting Monday, April 3, with the most disruptive work taking place during Spring Break, to minimize impacts.

Impacts:

- There will be limited vehicular access to the loading dock area northwest of the Music and Speech Arts buildings.
- There will be intermittent audible disruptions due to jackhammering.
- There may be dust.

Questions/Concerns?

We have reviewed the concert and theater schedules for the week of April 3, and there are no performances listed. Please reach out to us immediately if any performances are scheduled during that week. Also, please inform us immediately if the impacts listed above may affect instruction, band practice or recording.

Additional Resources:

- For up-to-date ADA pedestrian pathways throughout the project, be sure to access the interactive [map](#) available on Facilities Management website or the Fresno State [Mobile App](#).
- Contact Meredith Sandrik at mbooe@mail.fresnostate.edu or call Facilities Management at 559.278.2373 if you have any questions. Feedback can also be provided [here](#).
