

## Dear Colleagues:

As part of the Central Utility Plant Replacement (CUPR) project, a contractor will close temporarily the sidewalk south of the Thomas Administration building as indicated [here](#) starting March 20, 2023. While the impacts to you are minimal, we wanted to keep you informed regarding the pedestrian path of travel in this area.

### Impacts:

- The path of travel along this one sidewalk will be unavailable.
- Alternative paths of travel will be indicated by signage.
- There may be intermittent audible disruptions and dust.

Please forward to any students or colleagues in your respective buildings who might benefit from knowing this information.

### Additional Resources:

- For up-to-date ADA pedestrian pathways throughout the project, be sure to access the interactive [map](#) available on Facilities Management website or the Fresno State [Mobile App](#).
