

## Dear Campus Community:

The Central Utility Plant Replacement (CUPR) contractor has experienced delays due to the heavy rainfall. As such, the Maple Avenue Roundabout will not be reopened next week. Once the weather clears, the contractor will be able to complete this work in a short period of time.

### Maple Avenue Closure:

- Alternative ADA parking stalls will be available in lot P4 (by Joyal Administration).
- The V-Line bus pick-up and drop-off area will be temporarily relocated to the FAX [bus stop](#) on Shaw Avenue and Maple Avenue.
- The sidewalk from Maple Avenue to Joyal Administration will remain open on the east side of the roundabout.
- An additional [pedestrian pathway](#) between Music and Joyal Administration will be available.
- University High School has been advised of this temporary closure given student pick-up and drop-off.

As a reminder, please use caution and plan for additional time as you move through these areas of campus.

### Additional Resources:

- For up-to-date ADA pedestrian pathways throughout the project, be sure to access the interactive [map](#) available on Facilities Management website or the [Fresno State Mobile App](#).
- Contact Facilities Management at 559.278.2373 if you have any questions. Feedback can also be provided [here](#).
- To learn more about the Central Utility Plant Replacement project and related benefits, including sustainability and energy conservation, [here](#).

Sincerely,

Tinnah Medina Associate Vice President for Facilities Management
