

Spring 2026 – Julian Ornelas

*Major: Media,
Communication, and
Journalism: Advertising and
Public Relations*

Communications & Outreach
Intern

Who he is:

Julian is a senior majoring in Media, Communications, and Journalism with a emphasis in Advertising and Public Relations at Fresno State. As a student, he has gained experience through news reporting and by creating advertising and communications campaigns for various companies. With this experience, he hopes to pursue a career in public relations and is excited to gain hands-on experience and grow professionally while working alongside the Green Operations team at NORESKO.

Personal Interests:

Julian enjoys spending his free time on several hobbies, including playing guitar, working out, and going on runs. He has been playing guitar for over four years and enjoys playing for friends and family. He is currently training to run a 10K this summer.

Summary of Internship:

Julian is a Communications and Outreach Intern whose responsibilities will include assisting the Green Operations team in creating materials and leading tours for the CUP and communicating about the CUP regarding its completion.
