Group Accident and Critical Illness Insurance

Annual Open Enrollment September 18 - October 13, 2023

An injury or critical illness can affect more than your health — your wallet can take a hit too. If you get hurt in an accident or sick from a serious illness, your medical insurance will help, but it won't pay for everything.

Group Accident insurance will pay a benefit directly to you in the event of a covered accident, and Group Critical Illness insurance pays upon the diagnosis of a covered illness.
