

Nursing Mothers and Lactation Accommodations

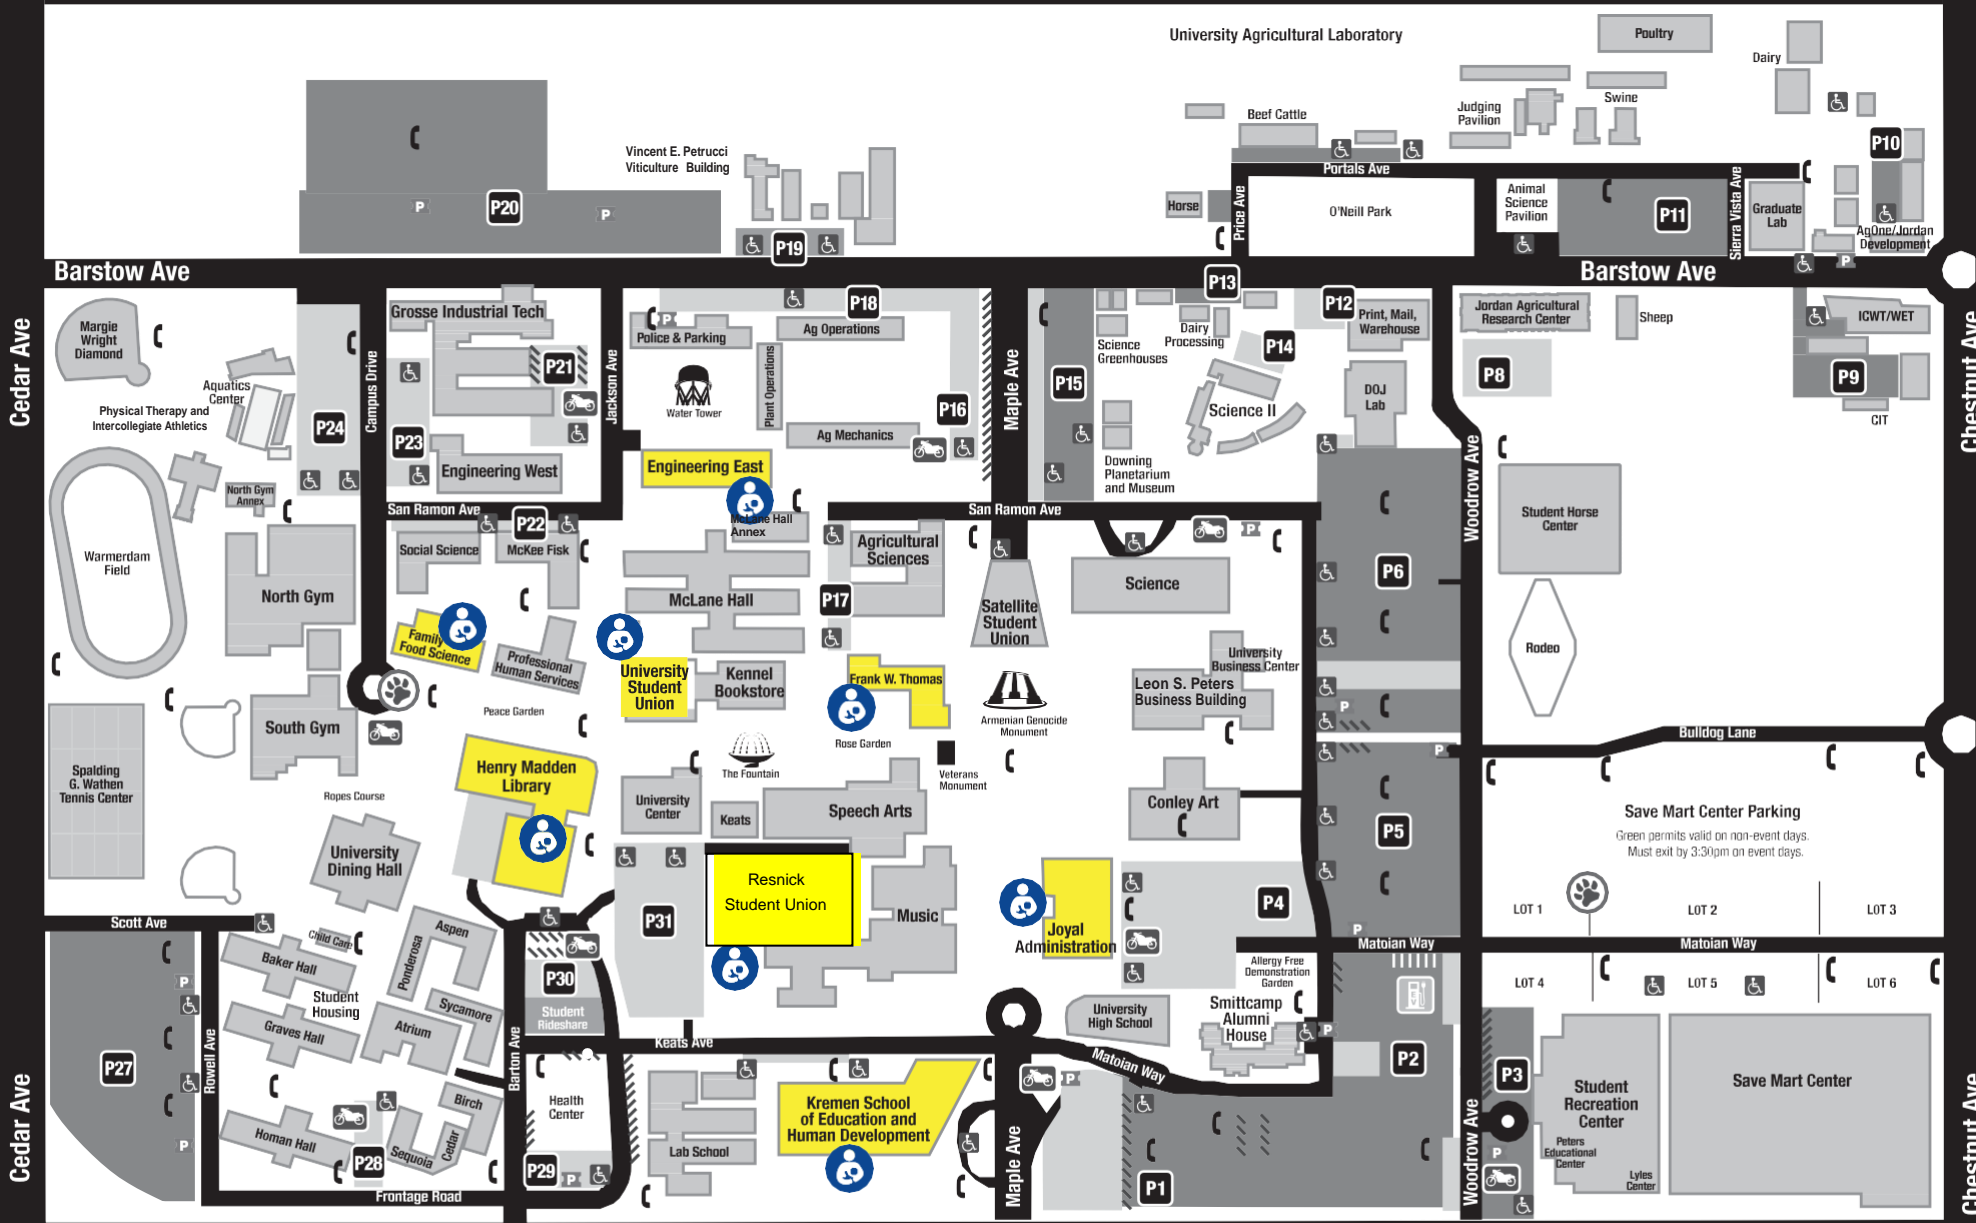

California State University, Fresno recognizes the importance and benefits of nursing and lactation support for mothers and their newborn or young infants. The university is committed to providing faculty, staff and students who are nursing mothers with reasonable breaks and clean and functional lactation stations.

Each lactation station provides a comfortable chair with a side table attached and access to electricity that will support a lactation pump. Mothers expressing milk are expected to make their own arrangements for refrigeration, including sealed containers and proper storage. All rooms are available on a first come, first serve basis for all faculty, staff, and students. Please note that Human Resources has a limited supply of ice packs and storage bags available to nursing mothers. For additional information, please contact Human Resources (559) 278-2032.

**This room has a refrigerator with free ice packs. Expressed milk cannot be stored in this refrigerator.*
