Subject: 2020 Conflict of Interest Annual Filing

Summary

This technical letter provides campuses with the 2020 Conflict of Interest (COI) annual filing requirements for employees in designated positions, including those identified through the interim disclosure process, and select consultants hired through the procurement process. Annual forms must be filed by **April 1, 2020**.

Systemwide Human Resources (SWHR) will host a webcast for COI Filing Officers on **February 11, 2020**, from 10:00 a.m. to 11:30 a.m. to discuss the annual filing process, the ethics-training requirement and answer campus questions. Information regarding registration for this meeting has been forwarded via e-mail to each campus COI Filing Officer by SWHR. The Chancellor's Office (CO) systemwide offices for Procurement and Sponsored Programs Administration will forward this information to their respective groups.

Action Item(s):

Each campus COI Filing Officer and any campus designee responsible for COI annual filing must distribute Statement of Economic Interests (Form 700) to employees in designated positions, including those individuals identified through the interim disclosure process and to select consultants. Notices should be sent out as soon as possible and no later than March 1, 2020, in order for employees to meet the **April 1, 2020**, deadline and ensure timely completion of required training.

This technical letter should be reviewed in its entirety by the campus COI Filing Officer and any campus designee responsible for COI annual filing.

Affected Employees Groups(s)/Units:

All employees (including select consultants) in designated positions in the approved COI Code, effective January 1, 2017, (See Attachment B), and those individuals identified through the interim disclosure process.

Introduction

The Political Reform Act, Government Code Sections 81000, et seq., requires California State University (CSU), as an agency, to adopt and promulgate COI codes. The CSU's COI Code requires employees in designated positions, including those identified under the interim disclosure process to file a Statement of Economic Interests (Form 700) on an annual basis. In addition, select consultants hired through the procurement process are also required to file a Statement of Economic Interests (Form 700) on an annual basis. (See [HR 2010-01](#)). This memorandum serves as a reminder that the individuals specified above, must file annual Statements by **April 1, 2020**.

Code Update

The Fair Political Practices Commission (FPPC) approved CSU's COI Code effective January 1, 2017. The COI Code consists of a list of designated positions and disclosure categories.

Annual Filing Reminder

The campus COI Filing Officer should distribute Statement of Economic Interests (Form 700) to employees in designated positions, as well as those identified through the interim disclosure process, as soon as possible, and no later than **March 1, 2020**, - 30 days before the filing is due. Please refer to [HR 2015-02](#) for additional requirements for Filing Officers. Designated employees must submit completed forms to the campus Filing Officer by **April 1, 2020**. As a reminder, the Chancellor's Office does not need to be notified when the filing process is completed.

The campus should determine if any consultants hired through the procurement process are required to file a Form 700 (See [HR 2010-01](#)). Campuses should also designate the individual responsible for distributing, collecting and retaining the Form 700 for these select consultants.

Individuals who filed a Form 700 during the last quarter of 2019 (October 1, 2019, through December 31, 2019), are not required to file during the 2020 annual filing period. The next time they will be required to file will be during the 2021 annual filing period.

Principal Investigators

There is no "annual" filing requirement for Principal Investigators (PIs); however, Title 2 regulations require PIs to file a Form 700-U (Statement of Economic Interests for Principal Investigators) before the final acceptance of a contract, grant or gift for a research project from a non-governmental entity, and within 30 days of renewal of funding for such a contract or grant. For additional information regarding PIs filing requirements, refer to [HR 2015-05](#).

Principal Investigators must complete the ethics training within six (6) months of receiving the grant. Subsequent training is required at least once within each two calendar year period that the grant is in place.

Interim Disclosure Requirement

In accordance with [HR 2015-04](#), campuses are required to submit to SWHR their 2019 campus interim disclosure list. Campuses should review the campus designated position list (Attachment B) and update as appropriate for the 2019 interim disclosure submittal. We request that this list be submitted by **April 1, 2020**. Individuals who filed interim

disclosures during the last quarter of 2019 (October 1, 2019, through December 31, 2019) are not required to file during the 2020 annual filing period; however, these positions should be indicated on the list.

Assuming and Leaving Office Form 700 Filings

Employees required to complete assuming and leaving office Form 700 statements in 2019 should use the disclosure categories, effective January 1, 2017, (See Attachment A).

Annual Filing Resources

The following information is included to assist in the annual filing process:

1. [CSU Disclosure Category Listing \(Attachment A\)](#) – This updated list contains eight (8) disclosure categories.
2. [Campus Designated Position List \(Attachment B\)](#) – Identifies the designated positions submitted during the remapping process and approved by the FPPC, effective January 1, 2017.
3. [2019-2020 Statement of Economic Interests Form 700](#) - Form 700 (schedules and instructions). Filing Officers are required to review completed statements of economic interests ensuring that a completed individual disclosure statement is received, and that the date is indicated in the official date stamp box located in the upper right hand corner of Form 700. Copies of Form 700 can be reproduced locally for appropriate employees at your campus. Form 700 also can be accessed electronically via the internet at: <http://www.fppc.ca.gov>. Refer to [HR 2015-02](#) for additional information.
4. [Frequently Asked Questions: Form 700 Disclosure \(Rev. 11/2019\)](#) – Provides a list of frequently asked questions that are often asked to FPPC by employees completing Form 700. Frequently asked questions regarding gift disclosure are also included.
5. [2019-2020 Form 700 Statement of Economic Interests Reference Pamphlet](#) - Provides information to assist employees in designated positions on how to complete their Form 700.
6. [Limitations and Restrictions on Gifts, Honoraria, Travel and Loans Fact Sheet \(Rev. 2/2019\)](#) - This fact sheet summarizes the major provisions concerning gifts, honoraria, travel and loans. The aggregate limitation on gifts, which is indexed for inflation every two years, is \$500 (2019-2020 limit) from a single source in a calendar year.
7. [2019-2020 Principal Investigator's Statement of Economic Interests Form 700-U and Instructions for Statement of Economic Interests for Principal Investigator](#) Form 700-U should be made available to employees "with principal responsibility for a research project funded or supported, in whole or in part, by the contract or grant (or other funds earmarked by the donor for a specific research project, or for a specific researcher) from a non-governmental entity."
8. [Conflict of Interest Handbook](#) - This handbook prepared by the Office of General Counsel provides information on conflict statutes.

9. [Form 700 Demo](#) – Learning and Development in SWHR and the Office of General Counsel have developed a brief training demo to assist designated employees in completing their Form 700 statements. This Form 700 demo is available to campuses through CSULearn.

Ethics Training

All employees in designated positions, including those that fall under the interim disclosure requirement and select principal investigators and consultants, must complete the ethics training. The training is delivered online and is accessible wherever web access is available. It is delivered in an interactive format. Completion time is approximately 25 minutes, with quizzes embedded throughout the content. A unique course link will be sent to each participant by our learning management system (LMS).

Employees will be able to access the training by invitation. The invitations will be prompted from the list of filers submitted by each campus and will be communicated electronically to individual e-mail accounts. COI Filing Officers are able to monitor completions through a learning management system. Reminders will be sent by our learning management system to filers until training is complete.

It is the responsibility of campus COI Filing Officers to complete the following tasks in regards to the ethics training:

- Provide your campus course administrator with the names of the individuals that are required to take the training, so that online training accounts may be established if not already in place; and
- Send an e-mail notification to designated employees including those identified through the interim disclosure process and select consultants, reminding them of their ethics training obligations under the COI Code, and to watch for an e-mail from our learning management system when the training is due.

Refer to [HR 2018-02](#) for additional filing officer responsibilities with regards to ethics training requirements.

Questions regarding ethics training should be directed to Learning and Development at (562) 951-4403 or L&D@calstate.edu.

Enforcement Considerations

Employees are subject to a \$10 per day fine up to a maximum of \$100 for the late filing of a Statement of Economic Interests Form 700 (Government Code Section 91013). In addition, the President/Chancellor may be notified of the late filers.

Employees who fail to file a Form 700, or who fail to disclose material interests may be subject to a personal penalty. Penalties include disciplinary action against the employee, as well as potential civil and criminal penalties. Violations of the Conflict of Interest Code are addressed in the Conflict of Interest Handbook, prepared by Office of General Counsel. This handbook is available at: <https://csyou.calstate.edu/Divisions-Orgs/OGC/Pages/manuals.aspx>

Campuses should work with their campus counsel to address any issues pertaining to code violations.

Training

SWHR will host a webcast for COI Filing Officers on **Tuesday, February 11, 2020**, from 10:00 a.m. to 11:30 a.m. to discuss the annual filing process, the ethics training requirement, and answer campus questions. Information regarding registration for this meeting has been forwarded to each COI Filing Officer via e-mail.

General Information

SWHR will continue to operate in an advisory capacity and serve as a liaison between the Fair Political Practices Commission and the campuses. Questions should be directed to Lisa Boyd at (562) 951-4415 or lboyd@calstate.edu.
