

Cross Cultural and Gender Center

To create and maintain a campus of respect, inclusion, and equal opportunity; where all members of the campus community thrive, free from oppression and discrimination.

Programs and Services

LGBTQ+

Programs and Services

- We foster meaningful dialogue and activism
- We work to eliminate racism, sexism, heterosexism, and other forms of oppression
- Our values are based on the feminist principles of equality, intersectionality, and human rights
- We are a community that works toward a campus where students, faculty, staff and administrators are empowered and supported to lead successful lives--academically, professionally, and personally.
