

Establish a grading system that allows professors to assign + and – to all letter grades.

CURRENT CHALLENGE:

Grades!!

I wish we had the option to give a B+, an A+, a C- and so on...

PROPOSED SOLUTION:

Establish a grades' system that allows to assign these grades:

A+

A

A-

B+

B

B-

C+

C

C-

D

F

BENEFITS TO FRESNO STATE:

Here's why:

- 1- Having to give students with 90% and 99% the same grade is very frustrating to both students and professors.
- 2- Grades are more "deserved" (B+ and B- are very different)
- 3- it makes us be more precise in our evaluation of students' work.
- 4- It looks cute on the transcript (this is a joke :))

So what are we waiting for?
