

Peace Garden 30th Anniversary

The garden includes statues of Cesar E. Chavez, Dr. Martin Luther King Jr, Mahatma Gandhi, and Jane Addams. Nelson Mandela will be the newest addition.

Two Canary Island pine trees were planted in 2002 to honor Todd Beamer and Navy Lt. Cmdr. Vincent Tolbert, who were killed in the September 11 terrorist attacks.

Fresno State officials celebrated Cesar Chavez's birthday with a garlanding ceremony on March 25, 2020.

Mahatma Gandhi was the first memorial in the Peace Garden in 1990.

Gandhi's grandson, Prof. Rajmohan Gandhi, visited the Peace Garden during a luncheon in his honor.

Mahatma Gandhi's granddaughter, Ela Gandhi, also visited to celebrate and speak at Gandhi's 150th birth anniversary.
