

Turning a Concert Hall into an Opera House. For the Production of 'Carmen'.

Our Concert Hall is located in the Music Building and has 270 fixed seating. This pictures captures the stage flooring ideal for most musical ensembles. Not suited for an Opera.

Building the stage. This stage was rented and was 12ft x 24ft, with a height of 5ft.

Ramp and stairs are being prepared to connect to the stage.

Concert Hall transformed.
Let's add some lights...
