

January 9, 2007

MEMORANDUM

To: Members of the Strategic Planning Committee

From: Cynthia Teniente-Matson
Coordinating Committee Chair

Subject: Master Plan Recommendations

The Master Plan Coordinating Committee met on January 4, 2007 and would like to present the following recommendations:

- Restrict service vehicle access on the campus core between 7:30 a.m. – 4:30 p.m.
- Deliveries/loading to be done from the perimeter of campus
- Modify delivery times
- Create bike lanes
- Create a new main entrance on Shaw Avenue.
- Create a “One-Stop Shop” visitor’s center at the main entrance of campus
- Improve way finding signage
- Construct a parking structure over lots J & A and K & L
- Create green space on top of parking structure on site of lots K & L
- Connect east and west of campus with well lit, safe walkways
- Designate a portion of O’Neil Park as a playing field
- Adopt master plan

The Coordinating Committee would also like to present the following policy changes:

- Interior corridors (no vehicles)
- Cart policy
- Playing fields dedicated to students
- Prohibit temporary buildings on campus
