

Open and Low-Cost Learning Resources

An Inside Look into Fresno State's AL\$

PRINCIPLES

CHOICE

Enables the discovery of course content, including commercial publisher content, library resources, and a wide array of open educational resources (OER).

AFFORDABILITY

Technology and partnerships that reduce the cost of learning materials for students and the CSU.

ACCESSIBILITY

Every student is entitled to a high quality education with access to all learning materials.

Examples of Faculty Making a Difference

And Saving Students Money

Fall 2013-Spring 2014
14 courses, 625 students
Total Savings: \$37,400
