

FRESNO STATE

Discovery. Diversity. Distinction.

Campus Safety Plan 2024

Availability, Location, and Methods to Summon Law Enforcement Assistance

Availability and Location of Law Enforcement Assistance

The Fresno State Police Department (FSPD) is located at 2311 East Barstow Ave (the southeast corner of Barstow and Jackson Avenues). The Police Department operates 24 hours a day, 365 days a year, and provides safety and security for students, faculty, staff, and visitors. Our law enforcement responsibilities govern university property and officers have full peace officer powers, including arrest, per California Penal Code Section 830.2(c) and Education Code 89560. Per state statute, our authority extends one mile beyond any university boundary and officers are afforded peace officer privileges throughout the State of California. All sworn police officers comply with peace officer standards set forth by the California Peace Officer Standards and Training (P.O.S.T.) Commission.

The Fresno State Police Department works closely with the Fresno Police Department, Fresno County Sheriff's Office, Clovis Police Department, California Highway Patrol, Alcoholic Beverage Control, and the FBI's Joint Terrorism Task Force. All aforementioned law enforcement agencies generously provide assistance to FSPD upon request. The University annually reviews a memorandum of understanding with the Fresno Police Department regarding mutual assistance pursuant to the Kristen Smart Act for Uniform Crime Report Part I crimes.

Crime Reporting

The reporting of crimes is vital in achieving the goal of providing a safe learning environment for the campus community. All persons who are victims or witnesses of a crime should promptly report the incident to the Fresno State Police Department. The Fresno State Police Department dispatch center is the public safety answering point for **911** emergency calls on university property and all police dispatch lines are recorded.

Emergencies:

Dial **911** and provide the following information:

1. Exact location (i.e. Fresno State, Social Science Building room 211).
2. Your name.
3. Describe the incident clearly and accurately.
4. Do not hang up! More information may be necessary to ensure a quick response.

Anonymous Reporting: The Fresno State Police Department has an anonymous tip line for reporting crimes or providing information anonymously. Your tip will be forwarded to the Fresno State Police Department for investigation or other appropriate action. Text or call to leave a voicemail: **559.664.3204**

Emergency phones are located in parking lots, classrooms, offices, elevators, and outdoor areas for safety and prevention of criminal activity. To activate a blue light emergency phone, push the red button.

Special Safeguards for Facilities or Activities

Security of and Access to Campus Facilities

Access to campus buildings after-hours is limited to authorized faculty and staff with valid Fresno State identification. Students who wish to work in a building after hours must obtain written authorization from the college dean and have valid student identification. The written authorization must be on file with Fresno State Police Department dispatch prior to allowing access. Valid identification must be shown prior to access. University buildings are generally unlocked on weekdays between 6am and 10pm and closed on the weekends unless classes or other authorized functions are being held. Keys (metal and electronic) are managed by Key Control located in the Facilities Management Building, 559.278.2373. Metal keys are distributed through the University Student Union, at the Information Center, during normal business hours. Electronic Keys are a part of the Bulldog Card (ID card), which are issued by the Bulldog Card Office, located in the Joyal Building.

The physical space for the Visalia Campus is operated by College of the Sequoias and thus Fresno State does not have control over environmental and procedural safety measures at this location. Parties are encouraged to report crimes happening at or near this location to College of the Sequoias District Police Department. The College of the Sequoias Police Department may be contacted by dialing **559-730-3999** or dialing **911**. The College of the Sequoias Police Department is located at 915 S. Mooney Blvd, Visalia, CA 93277.

Security Considerations Used in the Maintenance of Campus Facilities

The campus facilities are maintained by the Facilities Management department and patrolled by the Fresno State Police Department. Facilities Management maintains the campus buildings, grounds and roadways with a concern for safety and security. They inspect campus facilities regularly, respond to reports of potential safety and security hazards, and perform necessary repairs accordingly. Community Service Specialists test the emergency phones on a monthly basis, recommend the trimming of shrubbery for safety reasons, conduct periodic lighting surveys, and report non-functioning lights or other security hazards to Facilities Operations.

Maintenance concerns for Fresno State Housing are addressed Mon.-Fri. between 8 a.m. and 4 p.m. by their maintenance staff. Emergency repairs approved by the Facility Coordinator are completed after hours and on weekends. Repairs are prioritized based on health and safety concerns, order of receipt, and extensiveness of repair.

Actions Taken in the Preceding 18 Months to Increase Safety

Emergency Notification

- The Fresno State Police Department conducted monthly testing of the outdoor notification system for operational efficiency in the event of an emergency.
- Bi-annual test of emergency text notification system, Bulldog Alert.

Emergency Phones

- The Fresno State Police Department conducted monthly testing of emergency phones. Issues that are identified are addressed with assistance from Technology Services and Facilities Management.

Panic Alarm Testing

- The Fresno State Police Department facilitated quarterly testing with the departments that utilize panic alarms.

Construction and Facility Improvements

- North and South Gyms Fire Life Safety Upgrades: Includes modernization of Fire Alarm and Fire Protection systems, fire road access and Elevator cab modernization.
- Public Safety Fire Alarm Upgrades: Includes facility Fire Alarm system and head-end dashboard/platform.
- Secured Access Controls – Key Access Upgrades:

- Replacement of Keying standards and new ADA Hardware at Speech Arts, Peters Building, North Gym, Duncan
- Installation of Electronic Key Cabinets at Speech Arts; Peters Building; Ag Science & Science I
- Full migration of the Key Request Process on Facilities Link platform
- Domestic & Fire Service Water Upgrades: Provides redundancy and stability of water source
 - Provide back-up generator at Well #6 pump
 - Provide Supervisory Control and Data Acquisition (SCADA) dashboard for Wells #5 & 6
- Elevator Modernization at AG Science, Peters Building, Kennel Bookstore, McLane Hall,
- LED Lighting Interior Upgrades at 27 campus buildings
- Conley Arts Canopy Phase 1: Provides fire resistant canopy structure for Glassblowing; fire road access and hydrant coverage
- Science I HVAC, Lighting, Electrical and Fire Alarm Upgrades
- Projects in Preconstruction (Design & Approvals):
 - University Farm Infrastructure Modernization: extends the 12kV electrical duct bank; domestic water and fire service; fire road service and hydrant coverage
 - 12 KV Electrical Extension Across Cedar: Provides primary service stability by connecting to campus substation and less reliance on PGE overhead electrical service
 - 911 Emergency Generator
 - McKee Fisk Data Center generator
 - Campus Wide Fire Alarm Infrastructure Upgrades:
 - Upgrade of fire alarm systems in 10 buildings (Music, Speech Arts, Conley Art, Family Food Science, McKee Fisk, Social Science, Grosse Industrial Tech, Engineering East, Frank W Thomas, and Peters Business)
 - Establish a Fire Alarm campus standard
 - Conley Arts Canopy Phase 2: Provides fire resistant canopy structure for Ceramics Program; fire road access and hydrant coverage
 - Joyal Administration Building HVAC, Lighting and Fire Alarm Upgrades
 - McLane HVAC, Lighting and Fire Alarm Upgrades
 - PHS HVAC, Lighting and Fire Alarm Upgrades
 - Firelane access & ADA path of travel upgrades along Maple Mall
- LED Flashing stop signs were added to the Matoian/Backer intersection.
- Procured and installed a lighted bus stop shelter for the Campus Drive Circle.
- Completed slurry seal maintenance for the Save Mart Center parking facility and Woodrow Ave.
- Completed pothole repair project in parking lot P21.
- Procured and installed a skateboard dock for the Student Health and Counseling Center.
- Completed routine painting of red zones and disabled access pathways.
- The campus is following the guidelines issued by the Centers for Disease Control and Prevention for Institutions for Higher Education, California Department of Public Health, and the Fresno County Department of Public Health. The following practices have been put in place to reduce the risk of spreading COVID-19.
 - Email communications to the campus community regarding current guidelines and protocols
 - A web banner that links to current information for the campus including the current number of cases on campus
 - Signage on the perimeter of campus
 - Signage on buildings
 - Daily health screening survey and health screening checks including temperature checks
 - Online training for all persons on campus
 - Athletic practice and game plans
 - PPE available for the campus community including hand sanitizer and face coverings

Changes in Safety Precautions Expected to Be Made During the Next 24 Months

- Spring 2024 and Fall 2024, the campus will continue to follow current guidelines as provided by the Centers for Disease Control and Prevention for Institutions for Higher Education, California Department of Public Health, and the Fresno County Department of Public Health.
- Enhance 9-1-1 equipment for improved emergency call handling.
- Increase network-based door access control to older buildings.
- Upgrade of video surveillance cameras.
- Ongoing maintenance and repairs per the latest parking pavement assessment.
- Maintain campus wayfinding and parking regulatory signage as needed.

Records of On-Campus Crime

California Education Code 67380(a)(1)(A)

California State University campuses are required by California Education Code 67380(a)(1)(A) to compile records of all occurrences reported to campus police, campus security personnel, or campus safety authorities of, and arrests for, crimes that are committed on campus and that involve violence, hate violence, theft, destruction of property, illegal drugs, or alcohol intoxication, and to make this information available within two business days if requested by students, prospective students, employees, or the media. If you wish to request crime information, please contact: Interim Chief of Police, Jennifer Curwick, by calling the Police Department at **559.278.8400**, or email jcurwick@csufresno.edu
