**INFORMATION TECHNOLOGY ACQUISITIONS**

**1. Commencement of Work**

Work shall not commence under the Contract until a fully executed Contract has been received by the Contractor and the Contractor has been given approval to proceed. Any work performed by the Contractor prior to the date of approval shall be considered as having been performed at the Contractor's own risk and as a volunteer.

**2. Invoices**

In connection with any discount offered, except when provision is made for a testing period preceding acceptance by the CSU, time will be computed from date of delivery of the commodities as specified, or from date that correct invoices are received in the office specified by the CSU if the latter date is later than the date of delivery. When provision is made for a testing period preceding acceptance by the CSU, date of delivery shall mean the date the supplies, equipment or services are accepted by the CSU following the specified testing period. Payment is deemed to be made, for the purpose of earning the discount, on the date of mailing the CSU warrant or check.

Invoices shall be submitted, in arrears, to the address stipulated in the Contract. The Contract number and Contractor's Identification number are to be included on the invoice. Final invoice shall be marked as such.

The Contractor shall submit invoices to the CSU for payment of goods and services rendered. Unless otherwise specified, the CSU shall pay properly submitted invoices not more than 45 days after (i) the acceptance of goods by the CSU; or (ii) receipt of an undisputed invoice, whichever is later. Late payment penalties shall not apply to this Contract. The consideration to be paid Contractor, as described within the Contract, shall be in full compensation for all of Contractor's expenses incurred in the performance hereof, including travel and per diem, unless otherwise expressly so provided.

**3. Appropriation of Funds**

- (a) If the term of the Contract extends into fiscal years subsequent to that in which it is approved such continuation of the Contract is subject to the appropriation of funds for such purpose by the Legislature. If funds to effect such continued payment are not appropriated, Contractor agrees to take back any commodities furnished under the Contract, terminate any services supplied to the CSU under the Contract, and relieve the CSU of any further obligation therefore.
- (b) CSU agrees that if provision (a) above is involved, commodities shall be returned to the Contractor in substantially the same condition in which they were delivered, subject to normal wear and tear. CSU further agrees to pay for packing, crating, transportation to Contractor's nearest facility and for reimbursement to Contractor for expenses incurred for its assistance in such packing and crating.

**4. Cancellation**

CSU reserves the right to cancel this Contract at any time upon thirty (30) days written notice to the Contractor.

**5. Independent Status**

The Contractor, and the agents and employees of Contractor, in the performance of this Contract, shall act in an independent capacity and not as officers or employees or agents of the State of California. While Contractor may (or may not) be required under the terms of this Contract to carry Worker's Compensation Insurance, Contractor is not entitled to unemployment or workers' compensation benefits from the CSU.

**6. Conflict of Interest**

- (a) Should the Contractor provide services for preparation or development of recommendations for the actions which are required, suggested or otherwise deemed appropriate, and which include the provision, acquisition or delivery of products or service; then the Contractor must provide full disclosure of any financial interest including but not limited to service Agreements, OEM, and/or remarketing Agreement that may foreseeable allow the Contractor to materially benefit from the adoption of such recommendations.
- (b) The CSU requires a Statement of Economic Interests (Form 700) to be filed by any Consultant (or Contractor) who is involved in the making, or participation in the making, of decisions which may foreseeably have a material effect on any CSU financial interest [reference G.C. 82019].

The CSU reserves the right to prohibit participation by the Contractor in bidding to or providing services, goods or supplies or any other related action which is required, suggested or otherwise deemed appropriate in the end product of this Contract.
